## AVALONIAN TRAINING INTENSIVES

The Sisterhood of Avalon has been sponsoring Avalonian Training Intensives around North America and Great Britain since 1998. These four-day residential Intensives allow women to learn Avalonian ritual, techniques, tools, and philosophy from an experiential perspective. Come to connect with the Goddesses of Avalon, immerse yourself in the transformational spiritual traditions of the Celtic Britons, and learn how to heal and empower yourself as you align with the Cycles of the Universe.

### Level One - Calling the Barge

The Level One Intensive is for all women seeking the Ways of Avalon. For newcomers to the Goddess Path, it is an excellent starting point; for women who have been engaged in this journeying, it is sure to deepen connections both with the Lady and with the self, from an empowering Avalonian perspective. The SOA Level One Intensive is open to all women, members and non-members alike.

### Level Two - Parting the Mists

The Level Two Intensive opens the inner pathways to a uniquely Avalonian Healing System as we delve into the deeper mysteries of the Avalonian Tradition. The Level Two Intensive builds upon the foundation work of Level One, while introducing powerful tools and transformative practices firmly rooted in Celtic British Spirituality. Members of the SOA who have attended Level One are welcome to attend.

### Level Three - Climbing the Tor

The Level Three Intensive builds upon the foundation work of Level One and the deepening energies of Level Two, bringing together tools and techniques to assist in personal exploration of the Avalonian Tradition, while also learning to serve as a facilitator of the path for others. Members of the SOA who have attended Levels Two and Three are welcome to attend.

The Intensives run from Thursday through Sunday, and the all-inclusive price includes workshops, lodging, and vegetarian meals. Detailed information packets and registration materials are available upon request. Space is limited. If you are interested in attending or have any questions please do not hesitate to contact us at [intensives@sisterhoodofavalon.org](mailto:intensives@sisterhoodofavalon.org)

SOA Intensives are always incredible opportunities to become immersed in the transformational work of Avalon and to build sacred community with sisters; we hope you will be able to join us!
